

CALL FOR ABSTRACTS

PAPERS AND POSTERS

The joint SE-EPPC/GA-EPPC Conference provides an excellent opportunity for students and professionals working in research, management, or control of Invasive species in the Southeast to share their ideas and to present the results of recent studies. Topics can include ecology, economics, management, restoration, risk assessment, policy and regulation, and interdisciplinary projects. Abstracts must be submitted by October 1, 2014.

Guidelines for paper presentations

Presentations will be limited to 20 minutes, including 3-5 minutes for questions. LCD projectors will be provided. Overheads and slides are not acceptable. Please copy your presentation onto a CD-R (not CD-RW) or USB flash drive that is labeled with your last name and title of the talk. Before the start of your session, give your presentation (in the form of a CD-R or USB flash drive) to the AV assistant. There will not be time to copy the files once a session has begun. An AV person will be on hand to assist. LCD presentations must be made using PowerPoint software. Macintosh users should ensure that their presentations will function properly in a Windows environment. DO NOT bring presentations on a CD-RW, zip drive, or super disc.

All submissions for papers need to be sent to Karan Rawlins, UGA Center for Invasive Species and Ecosystem Health, at krawlins@uga.edu. (229) 386-3298

Guidelines for posters

Posters should be 40 inches tall by 60 inches wide (100 cm by 150 cm). Poster display boards, easel, push pins, and tape will be provided. If you require a table for pamphlets, brochures, or other display items, please indicate this on your abstract submission. Posters must be in place by the first day and stay up for the duration of the conference. Poster authors are required to be present at their stations for one hour during the designated Poster Social to answer questions.

All submissions for posters need to be sent to Dr. Bodie V. Pennisi, Associate Professor and Extension Landscape Specialist, Horticulture Dept., The University of Georgia at bpennisi@uga.edu.

STUDENT POSTER AWARDS

Student Poster Award

A team composed of representatives from each of the SE-EPPC state chapters will judge student posters, based on scientific merit, poster design, and poster discussion with the judges.

- ◆ First place - \$150
- ◆ Second place - \$100
- ◆ Third place - \$50

All student posters will be considered. Check the box indicating you are a student on the abstract submission form. If you wish to submit a poster for consideration in the contest, please submit it by September 30, 2014.

All submissions need to be sent to Dr. Bodie V. Pennisi, Associate Professor and Extension Landscape Specialist , Horticulture Dept., The University of Georgia at bpennisi@uga.edu .
