

Vendor and Sponsor Opportunities
12th Annual Alabama Invasive Plant Council Meeting
May 20, 2014, Monte Sano State Park, Huntsville, AL.

This year, the conference will cover topics related to research, management, outreach, education, and policy issues regarding invasive species in Alabama and the southeastern US.

We would like to invite you to attend this exciting meeting and give you the opportunity to build new relationships and support exotic pest plant control by registering as a Sponsor and/or Vendor. Sponsorship and Vendor support has always been critical to the success of this meeting and 2014 will be no exception. Your generous contributions will be most appreciated. As always, the meeting will provide an excellent forum for you to exhibit your products and services and to interact with key people and organizations involved in invasive plant management in the region. We are confident that your time and investment in this well attended meeting will be worthwhile.

Over the last five years, we have had approximately 140-175 attendees in attendance. This will be a one day meeting and run from 8:00 am to 4:30 pm. We will have breaks mid-morning and mid-afternoon and both breaks will be centered in the Vendor display area.

Vendor and Sponsor Opportunities:

The **Basic Vendor** package includes booth space, lunch, and breaks. **Silver** sponsors will be recognized at each session on the meeting. **Gold** sponsors will be recognized at each session and have posters displayed with their name. **Platinum** sponsors will be recognized at each session, have posters displayed with their name and special recognition in the printed agenda. Vendor space is limited, so please get your registration in early!
