

Vendor and Sponsor Opportunities  
13<sup>th</sup> Annual Alabama Invasive Plant Council Meeting  
May 7, 2014, Wind Creek Hotel, Atmore, AL.

This year, the conference will cover topics related to research, management, outreach and education issues regarding invasive species in Alabama and the southeastern US.

We would like to invite you to attend this exciting meeting and give you the opportunity to build new relationships and support invasive pest plant control by registering as a Sponsor and/or Vendor. Sponsorship and Vendor support has always been critical to the success of this meeting and 2015 will be no exception. Your generous contributions will be most appreciated. As always, the meeting will provide an excellent forum for you to exhibit your products and services and to interact with key people and organizations involved in invasive plant management in the region. We are confident that your time and investment in this well attended meeting will be worthwhile.

Over the last five years, we have had approximately 110 -150 people in attendance. This will be a one day meeting and run from 8:00 am to 4:30 pm. We will have a break mid-morning centered in the Vendor display area. After the field tour, attendees will return to the meeting rooms for wrap up and recertification sign-in.

### Vendor and Sponsor Opportunities:

The **Basic Vendor** package includes booth space and registration for up to two people. In addition to registration for two people and booth space if desired, **Silver** sponsors will be recognized at each session on the meeting. **Gold** sponsors will be recognized at each session and have posters displayed with their name. **Platinum** sponsors will be recognized at each session, have posters displayed with their name and special recognition in the printed agenda. Vendor space is limited, so please get your registration in early!

Display only:	\$200
Silver Sponsor:	\$300
Gold Sponsor:	\$400
Platinum Sponsor:	\$600

**Vendor and sponsor registration is online this year at:** <https://www.eventbrite.com/e/alabama-invasive-plant-council-annual-conference-registration-16317730772>
