

Alabama Invasive Plant Council

New/Renewing Membership Form

P.O. Box 1454, Auburn, AL 36831-1454
www.se-eppc.org/alabama

The Alabama Invasive Plant Council (ALIPC) was established in 2003 as a state-wide organization to:

- Raise awareness about the threat posed by invasive exotic pest plants in Alabama.
- Facilitate communication, dissemination, and the exchange of information concerning research, management and control of invasive exotic pest plants.
- Provide a forum for all interested parties to participate in meetings, workshops, and annual meeting as a state chapter.
- Serve as an educational, advisory, and technical support council on all aspects of invasive exotic pest plant issues.
- Initiate actions to prevent future introductions and the spread of invasive exotic pest plants in the Southeast.

As a 501c3 non-profit organization under the umbrella of the Southeast Exotic Pest Plant Council (SE-EPPC), the ALIPC is able to accomplish these goals through the support of its members. Your membership helps provide the needed resources to host annual meetings, workshops, and print educational brochures to raise awareness on critical invasive species issues. Your **1-year membership** includes a subscription to *Wildland Weeds*, a quarterly publication of the Florida Exotic Pest Plant Council and the SE-EPPC and electronic distribution of *Bits-N-Pieces*, news and events of the ALIPC. ALIPC appreciates your support and participation. For more information please visit www.se-eppc.org.

Mailing Address: *Please fill out form completely. For renewing members, please highlight any changes in your contact information.*
