

PREVENTING THE SPREAD

SC-EPPC ANNUAL CONFERENCE

Tuesday, September 16, 2014

Early registration by September 2nd (\$40) and meeting details (full agenda and CEUs) can be found on our website: [Http://www.se-eppc.org/](http://www.se-eppc.org/)

CONFERENCE HIGHLIGHTS

This year's annual conference focuses on "PREVENTING THE SPREAD" of invasive species! Topics include: phragmites control and prevention, involving the youth of South Carolina in invasive species identification, detection, and reporting through education and SC inspector programs, and updates from our 2014 Community Grant Program winners! We will adjourn the meeting with a tour of the Oak Grove Plantation by focusing on Chinese tallow control sites. We hope to see you there!

Conference registration and sign in will begin at 9:30 am with conclusion at 3 pm. Lunch and refreshments will be provided.

SC- EPPC

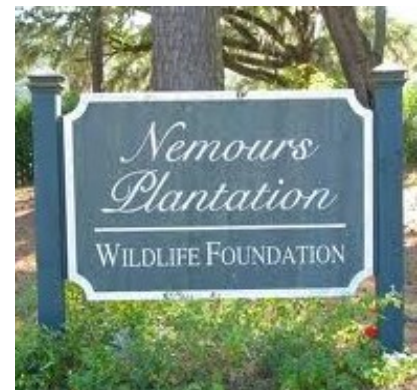

OUR MISSION

To support the management of invasive exotic plants in natural areas of South Carolina by providing a forum for the exchange of scientific, educational and technical information. Find us at <http://www.se-eppc.org/southcarolina/>
