

INDEX TO WILDLAND WEEDS WINTER 2004 – WINTER 2006

Previous indexes can be found in the Summer 2002 and Winter 2004 issues. They are also listed on the FLEPPC website at www.fleppc.org

TABLES OF CONTENTS

WINTER 2004 (Volume 8/1)

- 4 Letter to the Editor by *Robert K. Loflin, Ph.D.*
- 6 Trying to Reason with Hurricane Season
by *Amy Ferriter, Tony Pernas and Jim Burch*
- 9 In Memorium: Paul C. Myers
- 11 Storm Damage Synopsis by *Mike Bodle*
- 10 Invasive Species Management Tour: Lower Coastal Plain Habitat
Restoration by *John Madsen*
- 13 Seven Habits of Highly Effective Weed Programmes
by *Ian Popay and Susan Timmins*
- 16 Index to *Wildland Weeds*
- 20 National Association of Exotic Pest Plant Councils – Update 2004
by *Brian Bowen*
- 23 Internodes
- 26 Notes from the Disturbed Edge

SPRING 2005 (Volume 8/2)

- 4 Editor's Note by *Karen Brown*
- 5 Letter to the Editor by *Dennis Teague*
- 6 Snakes, Snails, and Puppy Dog Tails:
Lygodium with Teeth by *Amy Ferriter*
Exotic South American Snail Occurs in Florida Waters by *Karen Brown*
Evil Weevils by *Heidi Aspen Rhoades*
- 11 The Power of Partnerships – Island Style by *Alison Higgins*
- 15 In Memorium: Mark Conrad Zeller by *Greg Jubinsky and Drew Leslie*
- 17 Cogongrass: An Increasing Threat to South Georgia by *Christopher Evans*
- 21 Internodes

SUMMER 2005 (Volume 8/3)

- 4 Editor's Note by *Karen Brown*
- 5 Chinese Privet Control with Herbicide Foliar Sprays by *James H. Miller*
- 9 Melapaleuza 2005 Rocked! by *Cressida Silvers*
- 11 Invasive Plant Lists and Assessments – A Brief Introduction
by *Alison Fox and Kathy Burks*
- 13 FLEPPC 2005 List of Invasive Species
- 17 Putting a Stop to the Cat-claw Vine Infestation in Gainesville
by *Daniel B. Ward*
- 18 A New Approach to Combat Invasive Species by *Susan Musante*
- 20 Palm Beach County Ordinance Helps Residents Fight Invasive Plants
by *Matthew King*
- 22 Just Who is Daniel W. Clark? by *Karen Brown*
- 23 A Farewell to Ferriter
- 24 New Quarantine Facility Takes Flight by *Cressida Silvers*
- 25 Headway on Capitol Hill Against Invasive Species by *Andrea Cuff*
- 27 Internodes

FALL 2005 (Volume 8/4)

- 4 Georgia EPPC Events Highlight Emerging Threats
by *Christopher Evans and David Moorhead*
- 6 Cool Stuff on Kudzu by *Karen Brown*
- 7 Flame Vine (*Pyrostegia venusta*): An invasive plant of mature scrub and
potentially other natural habitats in Florida by *Jeffrey T. Hutchinson*
- 12 *Iris pseudacorus* in Jackson County, Florida by *Robert L. Farley*
- 15 A Task Force is Born by *Ross Dickerson*
- 17 Errata Table for “Chinese Privet Control with Herbicide Foliar Sprays”
by *James H. Miller*, Summer 2005 (Vol. 8/3)
- 18 Invasive Plant Lists of the Southeast: A Primer by *Alison Fox*
- 22 SE-EPPC Annual Symposium Grows into a Conference
by *James H. Miller*

- 23 Strategic Planning for SE-EPPC by *Brian Bowen*
- 25 Internodes
- 27 Book Review: *Stormscaping - Landscaping to Minimize Wind Damage in Florida*

WINTER 2005 (Volume 9/1)

- 4 The History of Tung Oil by *Karen Brown and William Keeler*
- 7 The tragedy of the commons revisited: Invasive Species
by *Sarah Reichard*
- 9 Meet the Southeast Exotic Pest Plant Council by *Brian Bowen*
- 12 Monster Machines photo montage
- 15 Kentucky EPPC Trains Forestry Personnel by *Joyce Bender*
- 17 The City of Greenacres – A good place to live by *Seretha George*
- 21 Pine Rockland Restoration in South Florida by *Lauren Linares*
- 23 Internodes

SPRING 2006 (Volume 9/2)

- 4 Lygodium in Florida by *John C. Volin*
- 7 An Explosion in Slow Motion: Tracking the Spread of
Lygodium microphyllum in Florida by *Amy Ferriter & Tony Pernas*
- 10 Taking Down Climbing Fern—Biological Control of
Lygodium microphyllum by *Robert W. Pemberton*
- 13 Potential Spread of *Lygodium microphyllum* Spores by Herbicide
Applicators by *Jeffrey T. Hutchinson and Kenneth A. Langeland*
- 18 Central Florida Lygodium Strategy: A Regional Approach
by *Kristina Serbesoff-King*
- 23 The Double-Trouble Ferns: Status Surveys of Lygodium
Treatment Sites by *Chris Lockhart*
- 25 Japanese Climbing Fern: The Insidious “Other” Lygodium
by *Andrea N. Van Loan*
- 28 Remote Infestations of *Lygodium microphyllum*:
A Case Study at Everglades National Park by *Jonathan Taylor*
- 30 Lygodium Research in Progress by *LeRoy Rodgers*
- 31 Internodes

SUMMER 2006 (Volume 9/3)

- 4 Meetings, Meetings and More Meetings by *Karen Brown*
- 8 Hurricanes Help Fight Invasive Trees by *Stuart Krantz*
- 9 Broward County Parks Recover from Hurricane Wilma by *Karen Brown*
- 10 Is Glyphosate Use Responsible for Global Decline in Amphibians?
by *Kenneth A. Langeland*
- 14 In Memory of Philip Myers by *Greg Kaufman and Jeff Hutchinson*
- 16 Boa Constrictors Breeding in Miami Park by *Karen Brown*
- 17 Go, TAME! by *Cressida Silvers*
- 21 Internodes
- 23 Making the Most of the Plentiful Kudzu by *Karen Brown*

FALL 2006 (Volume 9/4)

- 6 Silver Linings by *Michael Meisenburg*
- 14 In Memory - Kathleen Craddock Burks by *Gary Knight*
- 15 Georgia Exotic Pest Plant Council List of Non-native Invasive Plants
in Georgia
- 19 Foreign Exploration for Biological Control Agents
by *Sharon M.L. Ewe, William A. Overholt, Laurence G. Kirton, Ee-May Lai,*
Ismail Ahmad and Shankar Ulaganathan
- 23 Socio-Economic Impacts of Controlling Melaleuca in South Florida
by *Katherine Carter-Finn and Alan W. Hodges*
- 26 Gainesville's Great Air Potato Round Up by *Gary Paul*
- 30 The Southeast EPPC Invasive Plant Mapping Project
by *Chris Evans and Chuck Barger*
- 31 Internodes

WINTER 2006 (Volume 10/1)

- 4 Monitoring Ground Treatments of Old World Climbing Fern (*Lygodium microphyllum*) on the Arthur R. Marshall Loxahatchee National Wildlife Refuge: A Follow-up Report
by Mark A. Barrett, Laura A. Brandt, and Bill Thomas, Jr.
- 7 Additional Report of *Lygodium microphyllum* Mats as a Potential Problem for Wildlife by Jeffrey T. Hutchinson
- 9 MSEPPC Program: Effects of Hurricanes on Invasive Species by Lisa Yager
- 15 Alabama Invasive Plant Council List of Invasive Plants
by James H. Miller, Nancy J. Loewenstein and Curtis J. Hansen
- 19 Non-Native Wisteria Control with Herbicides by James H. Miller
- 22 A Recipe for Success: Exotics Control and Native Plant Restoration on Givney Key, Matlacha Pass NWR
by Bill Thomas, Jr., Patrick Martin, Jason Hanley and Leah Elwell
- 29 Internodes

AUTHOR INDEX

- Barrett, Mark A., Laura A. Brandt, Bill Thomas, Jr.
4 Monitoring Ground Treatments of Old World Climbing Fern (*Lygodium microphyllum*) on the Arthur R. Marshall Loxahatchee National Wildlife Refuge: A Follow-up Report (W-06)
- Bender, Joyce
15 Kentucky EPPC Trains Forestry Personnel (W-05)
- Bodle, Mike
11 Storm Damage Synopsis (W-04)
- Bowen, Brian
20 National Association of Exotic Pest Plant Councils – Update 2004 (W-04)
23 Strategic Planning for SE-EPPC (F-05)
9 Meet the Southeast Exotic Pest Plant Council (W-05)
- Karen Brown
4 Editor's Note (SP-05)
7 Exotic South American Snail Occurs in Florida Waters (SP-05)
4 Editor's Note (SU-05)
22 Just Who is Daniel W. Clark? (SU-05)
23 A Farewell to Ferriter (SU-05)
6 Cool Stuff on Kudzu (F-05)
27 Book Review: *Stormscaping - Landscaping to Minimize Wind Damage in Florida* (F-05)
- Brown, Karen, William Keeler
4 The History of Tung Oil (W-05)
- Brown, Karen
4 Meetings, Meetings and More Meetings (SU-06)
23 Making the Most of the Plentiful Kudzu (SU-06)
16 Boa Constrictors Breeding in Miami Park (SU-06)
9 Broward County Parks Recover from Hurricane Wilma (SU-06)
- Burks, Kathy
13 FLEPPC 2005 List of Invasive Species (SU-05)
- Carter-Finn, Katherine, Alan W. Hodges
23 Socio-Economic Impacts of Controlling Melaleuca in South Florida (F-06)
- Cuff, Andrea
25 Headway on Capitol Hill Against Invasive Species (SU-05)
- Dickerson, Ross
15 A Task Force is Born (F-05)
- Evans, Christopher
17 Cogongrass: An Increasing Threat to South Georgia (SP-05)
- Evans, Christopher, David Moorhead
4 Georgia EPPC Events Highlight Emerging Threats (F-05)
- Evans, Christopher, Chuck Barger
30 The Southeast EPPC Invasive Plant Mapping Project (F-06)
- Ewe, Sharon M.L., William A. Overholt, Laurence G. Kirton, Ee-May Lai, Ismail Ahmad, Shankar Ulaganathan
19 Foreign Exploration for Biological Control Agents (F-06)
- Farley, Robert L.
12 *Iris pseudacorus* in Jackson County, Florida (F-05)
- Ferriter, Amy, Tony Pemas, Jim Burch
6 Trying to Reason with Hurricane Season (W-04)
- Ferriter, Amy
6 *Lygodium* with Teeth (SP-05)

- Ferriter, Amy, Tony Pemas
7 An Explosion in Slow Motion: Tracking the Spread of *Lygodium microphyllum* in Florida (SP-06)
- Fox, Alison, Kathy Burks
11 Invasive Plant Lists and Assessments – A Brief Introduction (SU-05)
- Fox, Alison
18 Invasive Plant Lists of the Southeast: A Primer (F-05)
- GA-EPPC
15 Georgia Exotic Pest Plant Council List of Non-native Invasive Plants in Georgia (F-06)
- George, Seretha
17 The City of Greenacres – A good place to live (W-05)
- Higgins, Alison
11 The Power of Partnerships – Island Style (SP-05)
- Hutchinson, Jeffrey T.
7 Flame Vine (*Pyrostegia venusta*): An invasive plant of mature scrub and potentially other natural habitats in Florida (F-05)
17 Additional Report of *Lygodium microphyllum* Mats as a Potential Problem for Wildlife (W-06)
- Hutchinson, Jeffrey T., Kenneth A. Langeland
13 Potential Spread of *Lygodium microphyllum* Spores by Herbicide Applicators (SP-06)
- Jubinsky, Greg, Drew Leslie
15 In Memorium: Mark Conrad Zeller (SP-05)
- Kaufman, Greg, Jeff Hutchinson
14 In Memory of Philip Myers (SU-06)
- King, Matthew
20 Palm Beach County Ordinance Helps Residents Fight Invasive Plants (SU-05)
- Knight, Gary
14 In Memory - Kathleen Craddock Burks (F-06)
- Krantz, Stuart
8 Hurricanes Help Fight Invasive Trees (SU-06)
- Langeland, Kenneth A.
10 Is Glyphosate Use Responsible for Global Decline in Amphibians? (SU-06)
- Linares, Lauren
21 Pine Rockland Restoration in South Florida (W-05)
- Lockhart, Chris
23 The Double-Trouble Ferns: Status Surveys of *Lygodium* Treatment Sites (SP-06)
- Loflin, Robert K.
4 Letter to the Editor (W-04)
- Madsen, John
10 Invasive Species Management Tour: Lower Coastal Plain Habitat Restoration (W-04)
- Meisenburg, Michael
6 Silver Linings (F-06)
- Miller, James H.
5 Chinese Privet Control with Herbicide Foliar Sprays (SU-05)
22 SE-EPPC Annual Symposium Grows into a Conference (F-05)
19 Non-Native Wisteria Control with Herbicides (W-06)
- Miller, James H., Nancy J. Loewenstein, Curtis J. Hansen
15 Alabama Invasive Plant Council List of Invasive Plants (W-06)
- Moorhead, David J.
28 Dr. Larry R. Nelson (W-06)
- Musante, Susan
18 A New Approach to Combat Invasive Species (SU-05)
- Paul, Gary
26 Gainesville's Great Air Potato Round Up (F-06)
- Pemberton, Robert W.
10 Taking Down Climbing Fern—Biological Control of *Lygodium microphyllum* (SP-06)
- Popay, Ian, Susan Timmins
13 Seven Habits of Highly Effective Weed Programmes (W-04)
- Reichard, Sarah
7 The tragedy of the commons revisited: Invasive Species (W-05)
- Rhoades, Heidi Aspen
6 Evil Weevils (SP-05)
- Rodgers, LeRoy
30 *Lygodium* Research in Progress (SP-06)
- Serbesoff-King, Kristina
18 Central Florida *Lygodium* Strategy: A Regional Approach (SP-06)
- Silvers, Cressida
9 Melapaleuza 2005 Rocked! (SU-05)
24 New Quarantine Facility Takes Flight (SU-05)
17 Go, TAME! (SU-06)
- Taylor, Jonathan
28 Remote Infestations of *Lygodium microphyllum*: A Case Study at Everglades National Park (SP-06)
- Teague, Dennis
5 Letter to the Editor (SP-05)
- Thomas, Jr., Bill, Patrick Martin, Jason Hanley, Leah Elwell
22 A Recipe for Success: Exotics Control and Native Plant Restoration on Givney Key, Matlacha Pass NWR (W-06)
- Van Loan, Andrea N.
25 Japanese Climbing Fern: The Insidious "Other" *Lygodium* (SP-06)

- Volin, John C. 4 Lygodium in Florida (SP-06)
 Ward, Daniel B. 17 Putting a Stop to the Cat-claw Vine Infestation in Gainesville (SU-05)
 Yager, Lisa 9 MSEPCC Program: Effects of Hurricanes on Invasive Species (W-06)

PLANT INDEX

- Aleurites fordii*
 4 The History of Tung Oil (W-05) by Karen Brown and William Keeler
- Alliaria petiolata*
 4 Georgia EPPC Events Highlight Emerging Threats (F-05) by Christopher Evans and David Moorhead
- Ardisia elliptica*; *A. crenata*
 19 Foreign Exploration for Biological Control Agents (F-06) by Sharon M.L. Ewe, William A. Overholt, Laurence G. Kirton, Ee-May Lai, Ismail Ahmad and Shankar Ulaganathan
- Casuarina equisetifolia*
 8 Hurricanes Help Fight Invasive Trees (SU-06) by Stuart Krantz
 4 Letter to the Editor (W-04) by Robert K. Loflin, Ph.D.
 11 Storm Damage Synopsis (W-04) by Mike Bodle
- Celastrus orbiculatus*
 4 Georgia EPPC Events Highlight Emerging Threats (F-05) by Christopher Evans and David Moorhead
- Cupaniopsis anacardioides*
 8 Hurricanes Help Fight Invasive Trees (SU-06) by Stuart Krantz
- Dioscorea bulbifera*
 26 Gainesville's Great Air Potato Round Up (F-06) by Gary Paul
 19 Foreign Exploration for Biological Control Agents (F-06) by Sharon M.L. Ewe, William A. Overholt, Laurence G. Kirton, Ee-May Lai, Ismail Ahmad and Shankar Ulaganathan
- Imperata cylindrica*
 4 Georgia EPPC Events Highlight Emerging Threats (F-05) by Christopher Evans and David Moorhead
 17 Cogongrass: An Increasing Threat to South Georgia (SP-05) by Christopher Evans
- Iris pseudacorus*
 12 *Iris pseudacorus* in Jackson County, Florida (F-05) by Robert L. Farley
- Ligustrum sinense*
 5 Chinese Privet Control with Herbicide Foliar Sprays (SU-05) by James H. Miller
- Lygodium japonicum*
 4 Georgia EPPC Events Highlight Emerging Threats (F-05) by Christopher Evans and David Moorhead
 5 Letter to the Editor (SP-05) by Dennis Teague
- Lygodium microphyllum*; *L. japonicum*
 4 Monitoring Ground Treatments of Old World Climbing Fern (*Lygodium microphyllum*) on the Arthur R. Marshall Loxahatchee National Wildlife Refuge: A Follow-up Report (W-06) by Mark A. Barrett, Laura A. Brandt, and Bill Thomas, Jr.
 7 Additional Report of *Lygodium microphyllum* Mats as a Potential Problem for Wildlife (W-06) by Jeffrey T. Hutchinson
 4 Lygodium in Florida (SP-06) by John C. Volin
 7 An Explosion in Slow Motion: Tracking the Spread of *Lygodium microphyllum* in Florida (SP-06) by Amy Ferriter & Tony Pernas
 10 Taking Down Climbing Fern—Biological Control of *Lygodium microphyllum* (SP-06) by Robert W. Pemberton
 13 Potential Spread of *Lygodium microphyllum* Spores by Herbicide Applicators (SP-06) by Jeffrey T. Hutchinson and Kenneth A. Langeland

- 18 Central Florida Lygodium Strategy: A Regional Approach (SP-06) by Kristina Serbesoff-King
- 23 The Double-Trouble Ferns: Status Surveys of Lygodium Treatment Sites (SP-06) by Chris Lockhart
- 25 Japanese Climbing Fern: The Insidious “Other” Lygodium (SP-06) by Andrea N. Van Loan
- 28 Remote Infestations of *Lygodium microphyllum*: A Case Study at Everglades National Park (SP-06) by Jonathan Taylor
- 30 Lygodium Research in Progress (SP-06) by LeRoy Rodgers
- Macfadyena unguis-cati*
 17 Putting a Stop to the Cat-claw Vine Infestation in Gainesville (SU-05) by Daniel B. Ward
- Melaleuca quinquenervia*
 23 Socio-Economic Impacts of Controlling Melaleuca in South Florida (F-06) by Katherine Carter-Finn and Alan W. Hodges
 9 Melapaleuza 2005 Rocked! (SU-05) by Cressida Silvers
- Neyraudia reynaudiana*
 21 Pine Rockland Restoration in South Florida (W-05) by Lauren Linares
- Pueraria montana*
 23 Making the Most of the Plentiful Kudzu (SU-06) by Karen Brown
 6 Cool Stuff on Kudzu (F-05) by Karen Brown
- Pyrostegia venusta*
 7 Flame Vine (*Pyrostegia venusta*): An invasive plant of mature scrub and potentially other natural habitats in Florida (F-05) by Jeffrey T. Hutchinson
- Schinus terebinthifolius*
 8 Hurricanes Help Fight Invasive Trees (SU-06) by Stuart Krantz
- Wisteria sinensis*, *W. floribunda*
 19 Non-Native Wisteria Control with Herbicides (W-06) by James H. Miller
- Multiple species
 22 A Recipe for Success: Exotics Control and Native Plant Restoration on Givney Key, Matlacha Pass NWR (W-06) by Bill Thomas, Jr., Patrick Martin, Jason Hanley and Leah Elwell
 9 MSEPCC Program: Effects of Hurricanes on Invasive Species by Lisa Yager
 6 Silver Linings (F-06) by Michael Meisenburg
 9 Broward County Parks Recover from Hurricane Wilma (SU-06) by Karen Brown
 17 The City of Greenacres – A good place to live (W-05) by Seretha George
 20 Palm Beach County Ordinance Helps Residents Fight Invasive Plants (SU-05) by Matthew King
 6 Trying to Reason with Hurricane Season (W-04) by Amy Ferriter, Tony Pernas and Jim Burch

PLANT LISTS

- 15 Alabama Invasive Plant Council List of Invasive Plants (W-06) by James H. Miller, Nancy J. Loewenstein and Curtis J. Hansen
- 15 Georgia Exotic Pest Plant Council List of Non-native Invasive Plants in Georgia (F-06) by Georgia EPPC
- 18 Invasive Plant Lists of the Southeast: A Primer (F-05) by Alison Fox
- 11 Invasive Plant Lists and Assessments – A Brief Introduction (SU-05) by Alison Fox and Kathy Burks
- 13 FLEPPC 2005 List of Invasive Species (SU-05)
- 11 The Power of Partnerships – Island Style – The Florida Keys Invasive Exotic Task Force Plant List (SP-05) by Alison Higgins
