The NC Exotic Pest Plant Council supports the efforts of the Southeast Exotic Pest Plant Council in raising awareness about the threat posed by invasive exotic pest plants to natural areas throughout the Southeast.

Our Purpose.

1. Provide focus for issues and concerns regarding exotic pest plants in North Carolina
2. Facilitate communication and the exchange of information regarding all aspects of exotic pest plant control and management;
3. Provide a forum where all interested parties may participate in meetings and share in the benefits from the information generated;
4. Promote public understanding regarding exotic pest plants and their control;
5. Serve as an advisory council regarding funding, research, management and control of exotic pest plants;
6. Facilitate action campaigns to monitor and control exotic pest plants in North Carolina;
7. Review incipient and potential pest plant management problems and activities and provide relevant information to interested parties.

What You Can Do.

1. Learn about invasive plants, how to identify them, which ones are in your landscape, property or surrounding area.
2. Choose non-invasive alternatives when establishing new or renovating existing landscape plantings.
3. Get involved in managing invasive weeds by joining your local Weed Team, state or regional Exotic Pest Plant Council.

Become a Member.

As a non-profit organization, NC-EPPC is able to accomplish its goals through the support of its members. Membership helps provide the needed resources to fund research, host annual programs and workshops, publish regular communications, and develop and disseminate information to raise awareness about invasive plants in North Carolina.

BASIC MEMBER BENEFITS INCLUDE:
- Annual meeting discounts
- Networking opportunities
- Regular communications from NC-EPPC
- Quarterly copy of *Wildland Weeds* Magazine
- Access to EPPC resources and information

NC-EPPC welcomes and appreciates your support and participation. You can become a member by completing the membership form in this brochure and mailing it to the address provided.

About Us.
The NC-EPPC Board is comprised of representatives from the following groups: Botanical Gardens and Arboreta, Citizens, Conservation Organizations, State Government, Nursery Industry, and Landscape Industry.

The NC-EPPC is a non-profit chapter of the Southeast Exotic Pest Plant Council which was established in 2002.
